

Specright Network Beta Partner Program

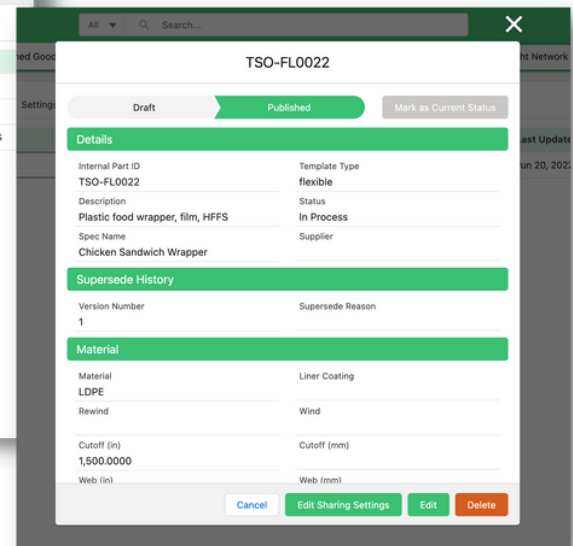

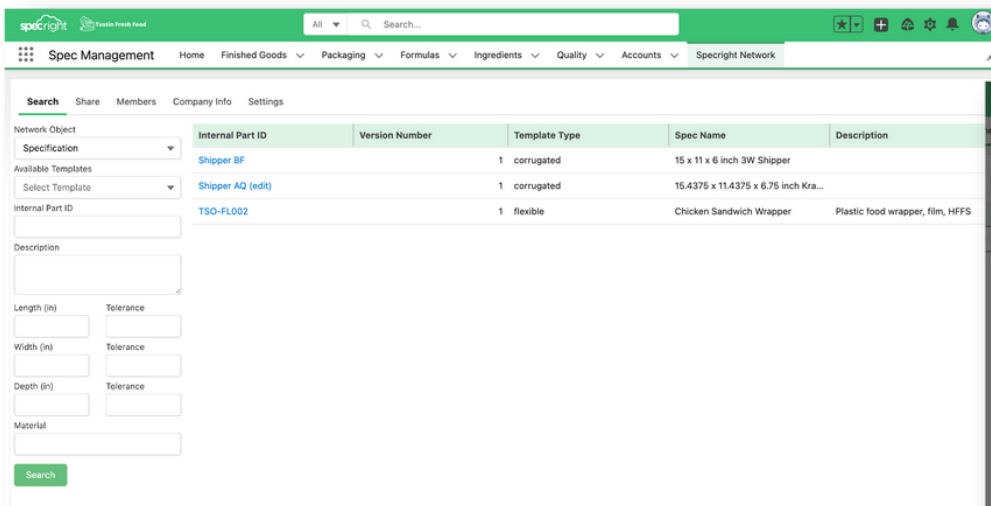

Here's a unique opportunity to influence how we're building one of our major innovations. Help drive innovation and shape the Specright Network with our Beta Partner Program.

Specright Network revolutionizes the way you connect with your supply chain partners and bring products to market, enabling you to easily share data and collaborate with your community of brands, suppliers, and retailers. As we continue to develop the Specright Network, we are opening up access to select customers, as part of our Beta Partner Program.

Steps to Become a Network Beta Partner:

1. Reach out to danielle@specright.com to schedule a discovery meeting
2. Share your use case for the Network feature
3. Specright team will evaluate your use case for this round of the beta feature
4. If you are selected, we will move forward with onboarding after you have agreed to all of the requirements

Requirements:

1. Designate a team member to be the primary contact for this project
2. Primary contact will have a 30 min Weekly call with the Specright Team
3. Provide list of vendors with designated contacts (1-2 per account) in an excel format
4. Recommend new features or functionality
5. All users participate in survey/feedback throughout testing
6. Use of the following features:
 - a. Versioning
 - b. Viewing of history
 - c. Attaching files
 - d. Downloading in multiple outputs (Consuming spec, Excel, PDF)
7. Co-Marketing materials to be released
